With a highly qualified staff of 24 professionals, the firm now services the association management needs of over 25 local, state, national and international associations.

S & S Management Services and its executives have been honored many times and are the recipients of such awards as: The President's Award and the Award of Merit from the American Academy of Family Physicians; the Leadership Award from the Sheet Metal and Air Conditioning Contractors National Association; the Amicus Award from the American Academy of Psychiatry and the Law; the Dedicated Service Award from the Ohio Academy of Family Physicians; the Leadership Award from the Associated Sheet Metal Contractors of Connecticut; and the Distinguished Service Award from the Connecticut Academy of Family Physicians, among others.

The firm took a leadership role in forming the Connecticut Society of Association Executives (CSAE), and three S & S executives have served as president of this Association. Two of them - Jacquelyn Coleman and Arthur Schuman - are recipients of the highest CSAE Award, the Connecticut Association Executive of the Year. Mark Schuman, current S&S President, has just completed his term as CSAE President, while C. Mitchell Sorensen currently serves on the CSAE Board of Directors.
